

DAY 3

Independence of the SeasSM

GEORGE TOWN, GRAND CAYMAN
Tuesday, December 23, 2008

TODAY'S FORECAST
Partly Cloudy, 81°F

Grand Cayman is one of a group of three magnificent tropical islands Christopher Columbus called "Las Tortugas" (the turtles) for the sea creatures he found in the ocean water. The designation did not endure, however, for on later maps the islands were labeled the Caimanau, the Carib Indian word for "crocodile." The name "Caimanas" refers inaccurately to the iguanas native to the islands, which were perhaps at one point mistaken for crocodiles. Among other attractions, visitors to the island will enjoy learning about the turtles, visiting the town of Hell, exploring Seven Mile Beach and enjoying the undersea world.

EXPLORATIONS! Shore Excursions and Port Information

Welcome to Grand Cayman! For guests on tour, check your tour ticket for departure time and location. Tenders, boats that transport guests to shore, run from Deck 1 approximately every 15-25 minutes. Please wait for announcements as to when the first tender departs. Do not use the forward elevators. Use the portside elevators and staircases aft, next to the Dining Room instead.

Port & Shopping Information – Don't miss the diamond event of the year... the "Crown of Light" Diamond Trunk Show at Diamonds International, Grand Cayman. Cindy will be ashore in Diamonds International most of the day to help you get the best deals on the diamond and tanzanite jewelry of your dreams! Last minute tips: make sure you bring your shopping maps ashore and pick up a coupon for a FREE Caribbean Charm Bracelet at the gangway as you depart the ship.
